Dear Mr. Johnson:

On behalf of the Omaha Education Association, it is my honor to recognize your organization as a recipient of a 2004-2005 OEA Human Relations Award. This Award is given to an individual or group that has served as a role model for positive human relations and social justice. Since 1995 when your group of concerned men realized that "the survival of the community rested in your willingness to join together to be a vehicle for positive change," you have contributed time and energy to uphold those lofty goals. Your contributions have served our children and educational community well, and we thank you.

We hope that you will join us for the Omaha Education Association Laurels Night on April 26, 2005. This night celebrates the HEROES of education —educators who are retiring after years of outstanding service, educators with 25 years with the Omaha Public Schools, and those, such as you, who believe in and support the causes of public education.

You will be receiving an invitation to join us for this celebration, including further details about time and place. We look forward to hearing from you. If you have questions, please feel free to call me at 346-0400.

Sincerely,

Diane Green
President, Omaha Education Association
